## Strengthening Early Literacy Skills through Readers Theater

- Guide and support readers of all levels and learning modalities in an experience that enables them to actively participate and succeed in moving beyond the boundaries of language.
- Strengthen awareness of rhyme and rhythm as a pre-requisite for reading readiness, decoding and attending skills
- Activate and build upon prior knowledge and experiences in a collaborative and success oriented experience towards fluency, comprehension and proficiency.
- This session will also include "Slide Into Rhymes" strategies for incorporating nursery rhymes into early childhood / pre-reading programs.

**Presenter:**  
**Helen Raczuk**
